CITY/PARISH PERMIT REQUIREMENTS
Please check with your city/parish for updated permit requirements.

These are the general requirements for permitting in parishes and cities in our area. DEMCO will adhere to these and any requirements imposed by governing authorities.

The following permits and inspections are required by local government agencies prior to connection of electrical service.

ASCENSION PARISH
Any new construction, rebuilt service or connection of an inactive residential or commercial building needs permits from the following:

Environmental Services
(225) 644-9030
615 E. Worthey Rd., Ste 2
Gonzales, LA 70737

Building, Planning & Zoning
(225) 621-5700
615 E. Worthey Rd.,
Gonzales, LA 70737

PERMIT REQUIRED IF SERVICE HAS BEEN INACTIVE FOR MORE THAN 24 HOURS.
MEMBER MUST OBTAIN PERMITS THE NEXT BUSINESS DAY.
TRANSFER OF SERVICE FOR HOUSE, MOBILE HOME OR COMMERCIAL BUILDING THAT WAS NOT DISCONNECTED - NO PERMIT IS NEEDED.

EAST BATON ROUGE PARISH
Any new construction, mobile home, commercial building or rebuilt service needs permits from the following:

Online: www.mypermitnow.org

City Parish Permit Office
(225) 389-3226
300 N. 10th Street, Baton Rouge, LA 70802

EBR Record Room
(225) 389-3233
(Will release permit when all requirements are met.)

RECONNECTION OF SERVICE FOR HOUSES OR APARTMENTS ONLY - NO PERMIT IS NEEDED UNLESS NO SERVICE FOR SIX MONTHS OR LONGER.

NON-PAY RECONNECTS ON MOBILE HOMES – Any Member living in a mobile home that was disconnected for non-payment has 6 months to pay and reconnect their service without permits. After 6 months a permit will be required to reconnect.

(Continued next page)
POWER THEFTS AND METER TAMPER – A permit to reconnect service will be required on all locations where power theft has occurred and on any location where meter tamper has caused damage to the meter pan.

SECOND OR ADDITIONAL SERVICES AT AN EXISTING RESIDENTIAL ADDRESS – As before, any new service requires a permit. However, EBR in some cases will no longer allow additional meters at an existing address. This is a zoning decision unrelated to DEMCO. If this type of application is made by a Member, we will not be able to assign or build a job for the order until a cleared permit has been received.

CITY OF BAKER
All connects need permits from the following:

City of Baker
(225) 778-0850
3325 Groom Road, Baker, LA 70714
